## Swan Hellenic Page

**The Groove Company** have had the pleasure of working on the cruise ships **Minerva I & Minerva II** for **Swan Hellenic**. Over a period of 8 years they travelled to some amazing places & met some wonderful people.

Below are just a few memories from some fantastic experiences during their travels.....

*Click on the sign or an area of the map for photos & stories.....*

Our sincere thanks go out to all at **Swan Hellenic**. Especially Victoria Kennedy, Paul Carter, Hugh Leslie & all the crew / musicians we have had the pleasure to meet & work with onboard. You are all the best.....
